

M&I / Sensors — product & tier selector

Sales one-pager — match industry and shipment need to the right offering in under two minutes

	Time-Critical Intervention	Environmental Monitoring	Asset Visibility Only
Healthcare	Surround Premium	SenseAware Subscription	—
Aerospace (AOG)	Surround Premium	SenseAware Single Journey	—
Data Centers	Surround Preferred	SenseAware Subscription	RFID (future)
General High-Value	Surround Select / Preferred	SenseAware Single Journey	—

This is a starting hypothesis, not a validated map — refine using shipment volume, intervention frequency, and tenure data by tier and industry as it becomes available.
